love god - serve others

Can you make room in your heart for one more child this Christmas?

Help us show the **LOVE** of God to **HUNDREDS** of *at-risk children* in Ecuador this Christmas at our **9th annual Give Christmas Celebration.**

Every **\$25** helps provide a special day of Bible focused fun, a nutritious meal and special gifts that are often the only gift the child will receive.

Many of these children live in the poorest conditions you can imagine. They often work in the streets and markets to help their families. They always greatly appreciate and cherish the gifts they receive.

Each year, the children are so excited to receive **clothing, toys, candy** and **food** for their families. The smiles on their faces as they receive these simple gifts are priceless. It is such a joy for us to partner with you in being the hands and feet of Jesus extended to these children for this special day.

This huge endeavor is only made possible with YOUR support. **Every \$25 greatly impacts a child's life for Christ.** Please consider *sponsoring at least one child this year to help us spread God's love.*

*Blessings,
Bobby & Tamitha*
